

We should protect local taxpayers, not irresponsible spending by local governments. Vote NO on Proposition 1A.

As Chairwoman of the State Board of Equalization, I know that too many branches of government waste too much money.

Proposition 1A gives local governments a spending guarantee without any fiscal accountability or oversight. It's a blank check for spending and turns a blind eye to waste.

Did you know that the City of Stockton is emptying its cash reserves to build a downtown arena, but at the same time they're trying to raise taxes to pay for police officers and firefighters? They've got their priorities backwards.

Did you know that the City of Los Angeles raised their water rates, but at the same time they're being audited for wasting millions on unnecessary public relations contracts?

California has a responsibility to help and support local governments. We are all in this together. But NO one should be exempt from fiscal oversight and accountability. Checks and balances are essential.

Public schools in California are funded by Proposition 98. But in 1988, California's teachers included specific language to hold school districts accountable for the money they spend.

There is NO fiscal accountability provision in Proposition 1A.

Every new school bond we've placed on the ballot contains specific accountability provisions to guarantee that the money is spent the way the voters intend.

There is NO fiscal accountability provision in Proposition 1A.

Every one of California's Water, Parks and Wildlife bonds had strict accountability provisions.

There is NO fiscal accountability provision in Proposition 1A.

California is facing serious budget challenges. There have been great sacrifices made to meet those challenges... cuts in children's health care, nursing home care, and college admissions.

Why should local politicians get a blank check? I say NO they shouldn't. Why should local politicians get a guarantee that sick children don't get? I say NO they shouldn't.

This NO fiscal accountability Proposition deserves a NO vote!

Please join me in voting NO on Proposition 1A.

Carole Migden, Chairwoman
State Board of Equalization
